

Viewing Responses

Last Modified on 17/04/2019 5:30 pm AEST

To view survey responses:

1. Open the survey you want, see [Creating or Editing a Survey](#) .
2. Select **Campaigns** tab.
3. Select the Campaign you want and select **ACTION**. The menu appears.
4. Select **Edit**. The Campaign form appears.
5. Select **Responses** tab. This lists the responses with an Outcome and Total Score.

- Select a Response to drill down on individual answers.
