You can change your password at any time.

To change your password:

1. Navigate to the User Menu in the top right corner
2. Select the User Account icon. The menu appears.
3. Select **Change password**. The Change password dialog appears.
4. Type the old password, and then type the new password. Re-enter your new password in the **Confirm password** field.
5. Select **OK** to save changes.

The new password can only be set as defined in the Password Policy rules.
